To Greystone Power

This fiscal year, thanks to your help, the WorkReady Douglas project at PEPP is able to reach out and better serve disadvantaged youth within our local community. We are able to serve more youth and families than before, and provide innovative new software that will better engage youth in maximizing their academic potential.

Thank you for your continued support and donation of \$1,000 to our WorkReady Douglas project. Your donation will help decrease local High School drop-out rates and make sure that youth in our program are prepared for post-secondary school and/or the workforce. Your support also makes it possible for our organization to provide supplementary services such, as food and clothing to those in deepest need.

Your donation makes it possible to continue our program services despite the economic distress we currently find ourselves in. Private donations go far in making up for cuts in our state and local government funding.

Frankly, we could not do what we do without donors such as you. We look forward to working with you in the future. We, and those we serve, deeply appreciate your generosity.

Sincerely,

Linda Shepard (CEO) and the PEPP Team

P.S. Please feel free to call me at any time at 404-388-7748 if you have questions, would like an update on our activities, or wish to volunteer at one of our sites.
